

Coach Payton's Play it Forward Foundation partnered with Baptist Friendship House to provide 3 truckloads of food boxes through Feed the Children. On Friday, November 20, 2015, the FBI New Orleans Citizens Academy Alumni Association participated in Baptist Community Health Services' Friendship House Feed the Children program by helping to distribute food boxes to over 1200 families. Each food box feeds a family of four for 10 days. We are proud to be able to take part in this important community event. A big thank you goes out to all who volunteered!
