

The FBI's Child ID App

Putting Safety in Your Hands

Every year, thousands of children go missing.

The FBI's new Child ID App can help.

Simply download the free FBI mobile application from the App Store on iTunes, add the latest photos of your child, enter key information about him or her, and update it regularly.

In the unlikely event that your child goes missing, you can quickly e-mail the photos and information to authorities. The app also includes safety advice and checklists for parents. And please be assured, no information about you or your child will be collected or stored by the FBI or iTunes.

Put your child's safety in your own hands. Download the FBI's Child ID App today.
